ACKNOWLEDGEMENT

I express my deep sense of gratitude to my guides, Sofikul Hossain, Kharagpur College, for her excellent guidance. As well as our other teachers and principal who give me the golden opportunity to this project reports on Environment Science. Which also help me to know about so many things I am really thankful to them I would also like to thank my parents and friends who help me a lot in finishing this field report within the limited time.

To the best of my knowledge, the matter embodied in the project has not been submitted to any other university/institute for the award of any degree and it is also more authentic. I am making this field report not only for mark but to also increase my knowledge.

Thanks again to all who helped me.
