Number of feedbacks received- 849

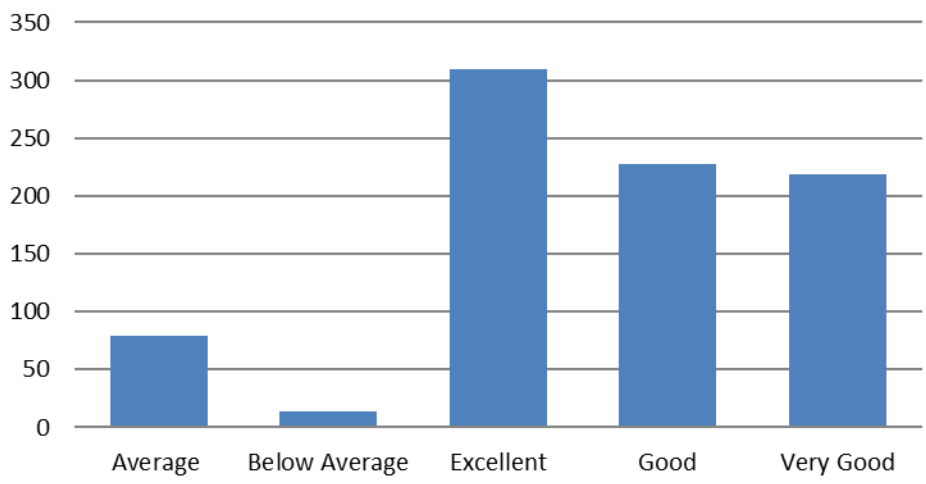

How much conducive is the college environment for the overall development of your ward?

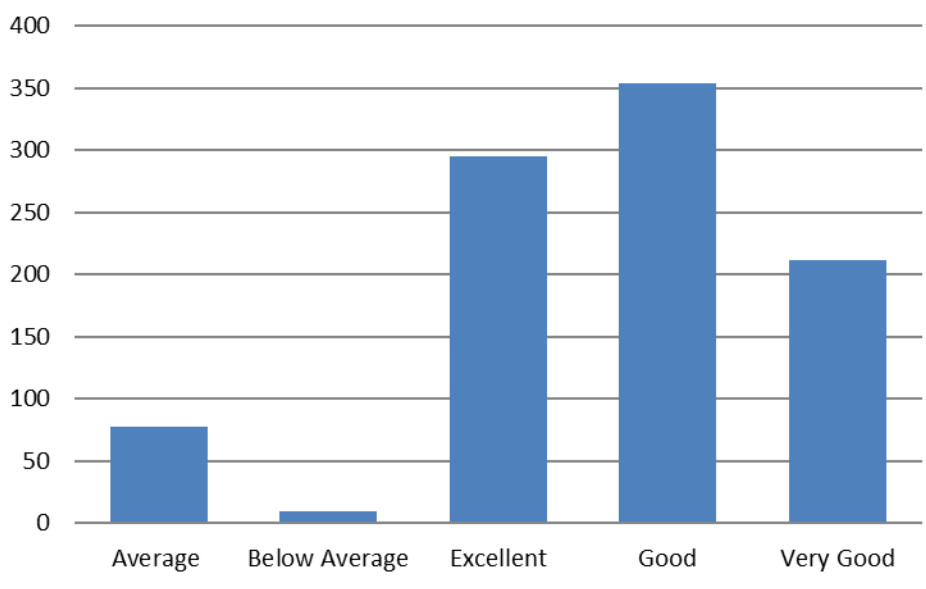

Do you think that the curriculum of the college is sufficient towards career development of your ward?

Is the college authority easily approachable regarding any queries?

Are you satisfied with the communication at the college end regarding the regular performance of your ward?

Analysis on Parents' feedback as done by the IQAC

- Most of the parents found the ambience of the college to be excellent, with several finding it to be very good. The general consensus is towards a great atmosphere conducive to academics. Few find the college atmosphere to be average
- The atmosphere of the college is conducive for the students to discuss the challenges and problems they face in their academic and student life. The feedback of the parents which mostly ranges from excellent to good points towards that direction. Few parents do think that the institution can further improve in this regard and the college commits towards providing a more student friendly atmosphere for the student fraternity.
- The college provides for a career-oriented atmosphere through various placement programmes and active performance of the Career Counselling Cell. The response of the parents which mainly borders from excellent to good bears a testimony to the fact.
- The institution also encourages approach from the parents regarding their wards and communicate regularly with the parents discussing their performance. The bar-graphs indicate the satisfaction level of the parents. There are certain areas where there might be chances of improvement in bridging the communication gap (as indicated by the average rating given by some of the parents) and the institution is focused on correcting and bettering them.

Action Taken as per IQAC meetings and approval of Governing body

- Presence of administration approved grievance redressal cell, anti-ragging cell, caste-based discrimination cell comprising of teachers, non-teaching staffs and student representatives to address the problems the students encounter within the campus. The complaints made by the students are immediately addressed with redressal provided to the students asap. A dedicated women cell is present to specially cater to the needs of female students. They also conduct programmes concerning women safety, mental health, and overall growth.

- Active mentoring programme for the students where students are divided into groups and put under tutelage of the departmental teachers. The teachers counsel them on their academic prowess and discrepancies. Career and mental counselling are also provided to them specially during the covid pandemic. This also foster the teacher-student relationship which accounts for a healthier academic atmosphere within the institution.
