### Analysis of the Feedback

- Most of the teachers are of the opinion that the University prescribed syllabus is effective for the students. Some opine that the syllabus is not effective enough.
- The teachers' are also willing to participate in the parent University procedure such as syllabus modification meetings/BOS to bring about a change in the present syllabus or forward it through the Head of the institution.
- The teachers feel the present resource of the library is adequate for the students but improvements can be made upon them by procuring more books.
- The teachers are also mostly satisfied with the lab equipments/resources for conducting practical classes. The institution focuses on improving the resources by providing better and sufficient number of equipments for the students.
- Teachers are satisfied with the upgradation of teaching-learning method, provision of smart-class rooms and ICT enabled facilities which enhances the entire teachin-learning process. The institution looks to further the progress in this regard.
- Though there is general consensus of satisfaction on the attendance and the response of the students in the institution and inside the classes, but there is also the belief that improvements can be made upon these factors.
- The teachers also are in cohort with the atmosphere of the college which allows for holistic development of the students and the personal/academic improvement of the teachers by providing them oppurtunities to attend seminars/workshops/FDPs etc.

### Action taken report on teachers' feedback as per IQAC meetings and approval of the governing body

- The teachers' provided suggestions on syllabus improvement through the HOD to the Head of the Institution, the same has been forwarded to the University for Consideration. Many teachers' are also part of the BOS of

various departments under the University, syllabus review committee where they put forth their suggestions on the syllabus.

- Books worth Rs. 1,00,734 and books/journal subscription worth Rs. 9475 was procured for the library
- Laboratory equipments worth Rs. 9204 were purchased and laboratory expenses worth Rs. 59,000 were incurred for the session to cater with the need for laboratory equipments and lab-infrastructure upgradation.
- 75% attendance is mandatory for the students according to the University norms and the institution adheres to it and makes it compulsory for the students to attend the requisite number of classes.
- Periodical tests, students seminar on syllabus oriented topics makes sure that the students are attentive within the class hours.
- The college encourages teachers to participate in seminars/workshops and FDPs thereby promoting an academic atmosphere. 5 teachers were given financial support to attend conferences/seminars. 15 teachers attended FDPs/refresher courses/orientation programmes. 3 programmes were conducted by the institution for the development of the teaching/non-teaching staff.
- 09 ICT enabled classrooms are present in the institution which facilitates the upgradation of the teaching-learning process.
- Teachers are provided subscription to N-List through the college library which opens up a plethora of resources for their academic improvement.
- Students are encouraged to participate in extra-curricular and cultural activities which allows for their overall development. The given link shows the participation of the students in few of the various extra-curricular activities:
