PROSPECTUS (2022-2023)

KHARAGPUR COLLEGE AT A GLANCE

Kharagpur College is a highly esteemed co-educational academic institution offering UG & PG Courses in multifarious subjects. The college is situated on a lush sprawling campus at Inda, Kharagpur - an urban industrialized centre in the district of Paschim Medinipur of West Bengal on the south-western periphery in between West Bengal & Orissa. It is placed at the converging point of Orissa Trunk Road stretching across between Bombay Road and Puratan Bazaar. This institution is about 2.5 km away from Kharagpur Railway Station. Railway communication facilities make it an added advantage for this institution to drag students from far-flung areas strewn across the main town.

Kharagpur College was founded on 29th August 1949 in the premises of Silver Jubilee School at Puratan Bazaar. Soon, thereafter, the college received a bountiful donation of nearly 13.4 acre of land from late Saleha Khatoon, wife of late Nasir Ali Khan of Panchberia, Kharagpur. Construction of the present college building started under the dispersal scheme of the Government of West Bengal on the second day of July 1951. Prof. H.B. Sarkar, a renowned historian, hailing from Dhaka, Bangladesh, was the Founder-Principal of this college. Without his unrelenting effort, indomitable devotion and illustrious sacrifice this premiere institution could not have seen the light and reached the pinnacles of its success. The college has been re-accredited by NAAC Peer Team in the year 2016 and was awarded B++ in the second cycle of accreditation.

The college has developed itself into an enormous institution of teaching and learning, and stands singularly as one in a cosmopolitan ambience. This great seat of learning is devoted to the cause of providing quality education in the fields of Arts, Science & Commerce. To the objective of producing skilled professionals as well as talented youths of mounting personalities and firm commitments towards the service of the society as a whole, this institution, by and large, keeps itself occupied in an unfettered manner in upholding the environment which aims at motivating the students in practicing the virtues of self-discipline, creativity and excellence. This institution sets out to inculcate knowledge and moral values into the fledgling minds of the young students and to forge a spirit of unity and solidarity among them to see India as a united nation.

The professed mission of our college is to follow the principle of 'Advancement of Learning' to encourage young minds in the new vistas of knowledge as demanded by globalization. We have three-prong challenges before us in the years to come. The challenges have been mainly thrown by globalization the whole world is reeling under. Globalization demands qualitative education through modern technologies based on ICT-oriented teaching and learning process. The acute financial crunch faced by the college stands in the way of combating the first challenge. The second challenge is to open PG Courses in more and more new subjects and to introduce job-oriented Certificate and Diploma Courses in near future to generate extensive job opportunities for the students. PG Course in Bengali is already in prevalence. The college has started two new Post-Graduate courses in English and History from the session 2018-2019. The college has initiated the process of introducing PG Courses in Mathematics and Physics. The college has completed two certificate courses in Yoga and Green Audit approved by Vidyasagar University for its students. The college has a plan to introduce more such certificate courses in the interest of the students. The third challenge is to train up the students up to the expectations of different government and non-government concerns. The youths will get exposed to new levels of training, to understand both theoretical and practical aspects of the profession they opt for. A large number of industrial units, it may be expected, will guide the youths in choosing

RULES OF ADMISSION

From the session 2015-16 the process of admission has been made online for convenience & total transparency.

UNDER-GRADUATE STUDIES

Immediately after the publication of 10+2 level results, the details of admission process incorporating the dates of availability and submission of application form, eligibility criteria, intake capacity, admission rules, date of publication of merit list, dates of admission & counseling and other related information are made available in the college website. The same is also displayed in the notice boards and notice books of the college.

Students are admitted strictly on the basis of the merit. The merit list is prepared following the guidelines of Vidyasagar University, reservation policy of the Government, and the recommendations of the Admission Committee. The Admission Committee of the college consists of the Principal, all Heads of the Departments, Secretary of the Teachers' Council and Representatives from students and non-teaching staff members. Complying with the reservation policy, a category-wise merit list is uploaded in the college website and displayed in the college notice board as well. The prospectus is available in the college website throughout the year and is updated from time to time which, among the other information, highlights the significant features of the college, intake capacity of various Departments, courses offered, subject combinations, fees structure and faculty profile.

Students seeking admission in Honours subjects are admitted through e-counseling. If any vacancy arises after first phase of admission, the candidates from the waiting list are called for second phase of e-counseling and so on.
