Sub: Report on Indian Philosophers' Day celebration at Kharagpur College.

Respected sir,

Reference to the letter No-F. No, 12-9/2018/P&R/ICPR/13 dated March 6, 2019 regarding permission and fund towards organising celebration of Indian Philosophers' Day, we, the teachers, students of the Department of Philosophy with the support of college administration have celebrated the same on 14th August 2019. It started at 11a.m. with the lighting of lamps by the honourable guests in one Hall Room No 208 within our college complex. The honourable guest speakers present on this very day were former Professor Raghunath Ghosh from North Bengal University, former Professor Ratna Dutta Sharma from Jadavpur University and Professor Papia Gupta from Vidyasagar University. They delivered their lecture on three different topics. Professor Ghosh delivered his lecture on "Philosophy of Vivekananda and its relevance today ". Professor Ratna Dutta Sharma delivered her speech on " The Philosophy of Rishi Devendranath Tagore". Professor Papia Gupta contributed her speech on " The Philosophy of Acharya Brojendranath seal". We all got enriched through these three outstanding presentations. They flourished various dimensions of Indian Philosophy in their awakening lectures. More than 70 ( seventy ) students and 20 ( twenty ) distinguished teachers of different faculties including our respected Principal and the President, G .B .of the college were present in the programme. Kaleswar Barman, head of the department of Philosophy has made the address of welcome to all. The programme ended with the vote of thanks presented by Dr. Sibsankar Tunga, Assistant Professor of Philosophy of Kharagpur College. We feel blessed, and hope that in future ICPR would extend its similar gracious support by funding us again suitably. We , the Department Of Philosophy , Kharagpur College express our gratitude and deep respect to the honourable authority of Indian Council of Philosophical Research New Delhi.

With deep regards .

Yours faithfully

Kaleswar Barman
