Report on

“One day International Seminar on “Management Information System (MIS)”

The Department of Economics, Kharagpur College organized a day long International Seminar on the topic of Management Information System in collaboration with Debra College on 9th September 2019. The seminar convened by Dr. Sukla Saha Mondal, Associate Professor, (Department of Economics, Kharagpur College) was held in H.B. Sarkar Memorial Hall, Kharagpur College.

The program was inaugurated by Dr. Bidyut Samanta, Principal, Kharagpur College in presence of Dr. Anjan Chaki, President, Governing Body, invited speakers Prof. Saibal Datta and Prof. Kunal Ghosh among other dignitaries and teachers.

Dr. Bidyut Samanta, Principal, in the lamp lighting ceremony.

The Resource Person on the day was Dr. Saibal Datta, Head, Quality Control/MIS, Media Trust, Nigeria and Prof. Kunal Ghosh of VGSOM, IIT Kharagpur was present as a Guest Speaker. Besides the departmental

faculty and students, teachers and from other departments like Commerce, BCA Political Science etc. were also present in the program. Total number of participants numbered 65.

Participants gained knowledge about how information system can be used for decision making process in different types of organization and businesses. We learnt that Management Information System involves people, processes and technology in organizational context and facilitates controlling, planning and decision making at management level.
