A REPORT

on

**STATE LEVEL ONLINE ESSAY COMPETITION FOR SCHOOL
& COLLEGE/UNIVERSITY LEVEL**

Organised by

Department of Chemistry, Kharagpur College

in association with

National Academy of Sciences India, Kolkata Chapter

(30 June 2020 – 8 July 2020)

Department of Chemistry, Kharagpur College in collaboration with National Academy of Sciences India, Kolkata Chapter, has organised an online **State Level Essay Competition** both in School level (**Topic: HOW FAR ARE YOU SAFE MY EARTH?**) and College /University level (**Topic: WE HAVE ONLY ONE EARTH**) for creating science awareness among the students during 1st week of July 2020 (last date of submission was 8 July 2020). This created huge response and as many as 258 students from different part of India participated in the said essay competition, and **top 5 students from college level** and **6 students from school level** have been selected for being awarded. Faculty members of Kharagpur College, Midnapore College, Ramananda College along with Mr. Sandip Sen played an important role as the respected jury members of the said essay competition. Name of the total eleven students (five from college/University level and six from school level) of both the levels were announced at the valedictory session of the webinar on “**Concepts Innovations and Methods when Chemistry meets Biology**” on 17th July 2020. E certificates were provided to the all participants of the competition

through registered e-mail. The prizes for the winners will be given by NASI after normalization restores.
