

PROSPECTUS (2024-2025)

KHARAGPUR COLLEGE AT A GLANCE

Kharagpur College is a highly esteemed co-educational academic institution offering UG & PG Courses in multifarious subjects. The college is situated on a lush sprawling campus at Inda, Kharagpur - an urban industrialized centre in the district of PaschimMedinipur of West Bengal on the south-western periphery in between West Bengal & Orissa. It is placed at the converging point of Orissa Trunk Road stretching across between Bombay Road and Puratan Bazaar. This institution is about 2.5 km away from Kharagpur Railway Station. Railway communication facilities make it an added advantage for this institution to drag students from far-flung areas strewn across the main town.

Kharagpur College was founded on 29th August 1949 in the premises of Silver Jubilee School at Puratan Bazaar. Soon, thereafter, the college received a bountiful donation of nearly 13.4 acre of land from late Saleha Khaton, wife of late Nasir Ali Khan of Panchberia, Kharagpur. Construction of the present college building started under the dispersal scheme of the Government of West Bengal on the second day of July 1951. Prof. H.B. Sarkar, a renowned historian, was the Founder-Principal of this college. Without his unrelenting effort, indomitable devotion and illustrious sacrifice this premiere institution could not have seen the light and reached the pinnacles of its success. The college has been re-accredited by NAAC Peer Team in the year 2016 and was awarded B++ in the second cycle of accreditation.

The college has developed itself into an enormous institution of teaching and learning, and stands singularly as one in a cosmopolitan ambience. This great seat of learning is devoted to the cause of providing quality education in the fields of Arts, Science & Commerce. To the objective of producing skilled professionals as well as talented youths of mounting personalities and firm commitments towards the service of the society as a whole, this institution, by and large, keeps itself occupied in an unfettered manner in upholding the environment which aims at motivating the students in practicing the virtues of self-discipline, creativity and excellence. This institution sets out to inculcate knowledge and moral values into the fledgling minds of the young students and to forge a spirit of unity and solidarity among them to see India as a united nation.

The professed mission of our college is to follow the principle of 'Advancement of Learning' to encourage young minds in the new vistas of knowledge as demanded by globalization. We have three-prong challenges before us in the years to come. The challenges have been mainly thrown by globalization the whole world is reeling under. Globalization demands qualitative education through modern technologies based on ICT-oriented teaching and learning process. The acute financial crunch faced by the college stands in the way of combating the first challenge. The second challenge is to open PG Courses in more and more new subjects and to introduce job-oriented Certificate and Diploma Courses in near future to generate extensive job opportunities for the students. PG Course in Bengali is already in prevalence. The college has started two new Post-Graduate courses in English and History from the session 2018-2019. The college has initiated the process of introducing PG Courses in Mathematics and Physics. The college has completed two certificate courses in Yoga and Green Audit approved by Vidyasagar University for its students. The college has a plan to introduce more such certificate courses in the interest of the students. The third challenge is to train up the students up to the expectations of different government and non-government concerns. The youths will get exposed to new levels of training, to understand both theoretical and practical aspects of the profession they opt for. A large number of industrial units, it may be expected, will guide the youths in choosing

appropriate professional fields to tap huge markets created by openeconomy.

In order to handle the above mentioned challenges, what the college needs first and foremost, is the expansion of infrastructural facilities that would require huge amount of money. Mobilizing resource is an uphill task. Just to drive home the point, various resource mobilizing measures are under way. The college has received a grant of one crore rupees from the West Bengal Higher Education Department in the financial year 2017-18 and built up a two storied new Class Room Building name Vidyasagar Bhavan. The college has received a grant of rupees two crore for various Infrastructure Developments under RastryiaUchhatarSikshaAbhiyan (RUSA) and utilized the received fund for creation of new class rooms and development of laboratories and library. We have to traverse a long uneven path to set our beloved institution in motion. However, no challenge puts us in a quandary if we remain sincere and avowed to our objectives and ideals. Let's us join hands to ensure an all-round development of the institution.

“It is the mark of an educated mind to entertain a thought without accepting it.”

- Aristotle

FROM PRINCIPAL'S DESK

Being entrusted with the prestigious job of spearheading the college as Principal, I shall devote myself for an all-round development of the college and render my best service to push it forward in attaining new heights in the arena of knowledge, wisdom and other extra-curricular activities. But for the realization of my dream, that I nurtured in my mind for over a long time, before stepping in this institution as Principal, I implore whole-hearted cooperation from all corners like faculty members, staff, students and alumni.

I hope the Students' Body to come forward to assist the college authority in the management of its day-to-day functioning and uphold the dignity and prestige of this institution before the academic world. I believe the college website to be an effective forum to reach out to the community at large, and will definitely ease communication between us and our patrons.

The college ensures a healthy atmosphere for holistic growth, technology-supported teaching and learning to the inquisitive minds of the new generation. The work of this institution is also expected to help in restoration and uplifting of the State's rich culture and heritage and to take the local people's aspirations and expectations on board in running the institution. We shall work in tandem with different sections including the parents and alumni of the college to make our future generation true human being, to become ideal citizens and to evolve the mechanism for overcoming the challenges of the globalised world.

We have faith in the prevention of caste-based discrimination in Higher Education and empowering the girl students is one of our mottos.

Thanking you,

POST-GRADUATE STUDIES

Along with the already running Post Graduate courses in Bengali, the college has introduced two new Post-Graduates courses from 2018-2019 session in the subjects of History and English. The college initiated the process of introducing PG courses in Mathematics and Physics. The introduction of the new Post Graduate courses adds to the already academically enriched atmosphere of the college and provides the students new vistas for academic advancement. It is an opportunity for students to progress further in the learning curve and create a niche for themselves in the world of education. Along with the already running PG in Bengali which is characterised by distinctive features such as seminars, interactive sessions etc., the new courses look forward to broaden the horizon. Admission to all the PG courses are strictly based on an admission test conducted by the college where 60% of the seats are reserved for students of Vidyasagar University whereas the remaining 40% of the seats are open to contest for all the students.

CLASS HOURS

Morning : From 6.30 a.m. (as per routine)
Day : From 10.00 a.m. (as per routine)
Evening : From 1.00 p.m. (as per routine)

RULES OF ADMISSION

From the session 2015-16 the process of admission has been made online for convenience & total transparency.

UNDER-GRADUATE STUDIES

Immediately after the publication of 10+2 level results, the details of admission process incorporating the dates of availability and submission of application form, eligibility criteria, intake capacity, admission rules, date of publication of merit list, dates of admission & counseling and other related information are made available in the college website. The same is also displayed in the notice boards and notice books of the college. Students are admitted strictly on the basis of the merit. The merit list is prepared following the guidelines of Vidyasagar University, reservation policy of the Government, and the recommendations of the Admission Committee. The Admission Committee of the college consists of the Principal, all Heads of the Departments, Secretary of the Teachers' Council and Representatives from students and non-teaching staff members. Complying with the reservation policy, a category-wise merit list is uploaded in the college website and displayed in the college notice board as well. The prospectus is available in the college website throughout the year and is updated from time to time which, among the other information, highlights the significant features of the college, intake capacity of

various Departments, courses offered, subject combinations, fees structure and faculty profile.

Students seeking admission in Honours subjects are admitted through e-counseling. If any vacancy arises after first phase of admission, the candidates from the waiting list are called for second phase of e-counseling and so on.

Renewals of enrolment in subsequent years for NCC will be made on payment of Rs. 4/-only.

NCC Officer (ANO): Sri Uttam Das, M.A, Assistant Professor.

THE NATIONAL SERVICE SCHEME (N.S.S.)

The overall aim of National Service Scheme (N.S.S.) is to give an extended dimension to the higher education system and orient the students to community service while studying in educational Institution. The educated youth, who are expected to take the reins of administration in future, are found to be generally unaware of the problems of the village/slum community and, in certain cases, are indifferent to their problems and needs. It is, therefore, necessary to arouse social conscience of the students and to provide them with an opportunity to work together with the people of the

community. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of their lives and bring in a change in their social perception.

Kharagpur College has 2 (two) NSS units under the NSS Cell of Vidyasagar University. Students intending to enroll themselves in NSS need to apply in prescribed form.

NSS Programme Officers

Unit-I: **Sri Subrata Paria**, M.A., Associate Professor

Unit-II:

Unnat Bharat Abhiyan (UBA) Cell

Being inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India, the program Unnat Bharat Abhiyan, was launched by the Ministry of Human Resource Development on 11th November, 2014. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Kharagpur College has enrolled itself as a UBA PI (Participating Institution) in the year in 2019, and has adopted five villages surrounding Kharagpur College. All students are welcome to join UBA team as an enthusiastic volunteer and thereby get the opportunity to get themselves involved in several activities and services rendered by the Unnat Bharat Abhiyan team of the college.
